Hi All:

**Ex. 7(A)**

Pending the results of that communication and/or analysis we may need additional follow-up, but at this point they've asked us to put the PEI planning on hold. I'll send a cancellation for tomorrow's meeting shortly.

Thank you again for support in this matter.

Hi Doug:

Are you and your folks available this Thursday at 2:00 PM for a call to discuss some additional details and planning for the inspection and sample collection at [Ex 7(A)]? We'll be inviting our colleagues in the EPA Region 1 office as well to provide some of the latest information they've obtained as well as some updated logistics.

Please let me know if that time will work for you guys and I'll follow-up with a meeting invitation and call-in information.

Thanks!
